2026-2027 School Year (rev. 1.27.26)

By signing this agreement all parties understand and agree to the following:

1. **The UH and high school reserves the right to determine admission to the college and/or registration in classes.**
2. The parent/guardian and student understand that if the student does not successfully complete the Early College dual credit course(s), the student may not meet high school graduation requirements.
3. The student and/or parent/guardian may, when applicable, be responsible for consumable supplies, transportation, and other related educational expenses; notwithstanding, students will be informed of such expense in advance.
4. The parent/guardian and the student understand that the student is expected to fully participate in all course activities (including off-campus field trips), courses which may be held at the college, labs, and course content which may involve exposure to alternative viewpoints that may include material of an adult nature.
5. The parent/guardian and student understand that the Hawai'i State DOE is not liable for the student's health and safety when the student has left the high school campus.
6. The high school is the final authority on high school graduation requirements. Your child must work closely with her/his high school counselor to ensure that graduation requirements are met. It is the student's responsibility to ensure that college course(s) completed as part of the Early College program will also meet high school graduation requirements. If your child transfers to a different high school, the dual credits accrued through Early College may or may not count toward meeting the graduation requirements of the new high school. If your child does not successfully complete the Early College course(s), he/she may not meet high school graduation requirements.
7. All Early College students have the same rights and responsibilities as any other UHCC student and must comply with the applicable UHCC or UH West Oahu Student Conduct Code, in addition to the high school behavioral expectations and school policies.
8. The student and parent/guardian gives permission for the UH West Oahu, UHM Outreach College, UHCC schools, and the high school to share and release application and registration information, student health records, UH ID numbers, Placement test scores, Free or Reduced Lunch status, ethnicity, ELL status, student survey data and grades to each respective authority.
9. The WHS Early College Program has limited seating capacity. Admission is based on first-come, first-serve and **FIRST to complete all application documents.**
10. **The UH/UHCC and high school may photograph, videotape, or otherwise record the student's first name, voice, and/or likeness. These recordings will be used exclusively for non-commercial, educational purposes, which may include, but not be limited to, distribution by print or digital media within or outside the state of Hawai'i for the duration of the media.**
11. Early College students with documented disabilities must call 808-307-9575 ten weeks prior to the start of the first day of Early College instruction in order to have adequate lead time for accommodations.
12. Early College students must complete the weekly "temperature check" emails sent by the Tagnawa Tutors (Early College tutors). Students agree to keep open lines of communication with their assigned Tagnawa Tutors and/or EC Leadership Team for any support and advisement during the Early College Program.
13. Early College students must attend a mandatory Early College orientation offered prior to each semester. Students who miss the mandatory orientation session may be dropped from their Early College courses.
14. Early College students are provided detailed information on registration. If an Early College student registers for the wrong course or section, the student may incur an obligation to cover the tuition fee for enrolling in a non-Early College course.

With your signed consent, the student may apply and may be registered for an Early College class depending on the aforementioned criteria and funding. **Attendance is mandatory and will be taken for each class.** Should the student be registered for a course and fail to abide by the UH/UHCC and WHS policies, procedures and deadlines, the Principal or any designee reserves the right to disenroll the student for repeated tardiness, more than three (3) absences, violation of student conduct code and/or repeated failure to complete coursework. In such cases, or should the student fail to complete the course and earn college credit, the student will be responsible to pay the minimum tuition fee for the course (student will incur a financial obligation). Note: Running Start Courses are charged at a much higher tuition rate vs. Early College courses.

If there are any concerns or questions, please feel free to contact the Early College Director, Mrs. Eunice Fukunaga, at (808) 307-9545. For more information: <https://www.waipahuhs-earlycollege.org>
