

AA in Teaching & B.Ed. Degrees

The **Academy of Teacher Education** provides learning opportunities for students who desire to work in the field of education. Students who choose this pathway could work in an elementary, middle, or secondary educational setting as a teacher, professor, counselor, and more.

Early College 2.0 partners with Leeward Community College to enable students to begin taking their college classes that lead to a Bachelor's Degree in Education (B.Ed) with concentrations in elementary, middle level, and secondary education.

In addition to offering many General Education courses that are required for the B.Ed. degree, WHS Early College offers Education 100 (LCC) every fall semester.

For more information please contact:
Ms. Brandy Yagi, Assistant Principal

BS in Health Related Degrees of MD

The **Academy of Health & Sciences** – a National Model Academy – is for students who aspire to be medical professionals such as doctors, nurses, therapists, pharmacists or Allied Health-related professionals. Students who choose this pathway will have the option to transfer their credits to an accredited college. Under this pathway, entering Hawaii resident freshman are eligible to apply Doctor of Medicine Early Acceptance Program (DMEAP) in partnership with University of Hawaii – a joint program offered by the John A. Burns School of Medicine and Undergraduate Programs of the University of Hawaii at Manoa.

For more information please contact:
Ms. Eunice Fukunaga, Assistant Principal

BS in STEM Related Degrees

The STEM pathway is for **Academy of Industrial & Engineering Technology** students who aspire to be technology innovators, programmers, scientists, mathematicians, engineers or practitioners in the field of Allied Health.

Partnering with Leeward Community College, the University of Hawaii at Manoa, the College of Engineering, and the University of Hawaii at West Oahu, students can take Early College 2.0 classes that meet the common core such as English 100, Economics 130, History 151, Hawaiian Studies 107, Music 107, Psychology 100, College Algebra 103, Trigonometry 140X, Calculus 205 (241), 206 (242), 231 (243) and 232 (244), Chemistry 161L, 162, Physics 170L, 272L, Microbiology 130 and Java ICS 111, Health 120, Health 123, and Health 117, plus numerous options for elective courses within the area of study.

For more information please contact:
Ms. Elizabeth Higashi, Assistant Principal
Ms. Brandy Yagi, Assistant Principal

Associate in Arts & BA Degrees

The **Academy of Arts & Communication** Pathway is for students who aspire to work in the pathway of humanities, visual arts, literary, and media. Students who choose this pathway could work in the field of journalism, advertising, marketing, psychology, video and media production. Classes taken in Early College 2.0 will align with the Academy of Creative Media (ACM) in partnership with UH West Oahu and Leeward Community College. Creative Media is both a 4 year and 2 + 2 transfer pathway for students interested in pursuing or continuing on in the Creative Media Arts (e.g., design, storytelling, and technology). Early College 2.0 examples include: Songwriting 208, Art 107D, Art 112, Art 101, Music 107, Psychology 100, Sociology 100, and Creative Writing English 204, to name a few.

Mr. Alvan Fukuhara, Assistant Principal

EARLY COLLEGE MISSION

To **increase college and career readiness** by providing lower-income youth, first-generation college goers, English language learners, students of color, and other underserved populations in higher education with accelerated learning opportunities and Early College classes - at no cost to the student.

EARLY COLLEGE 2.0 GOAL

Early College 2.0 works collaboratively with high school pathways and academies, the Early College High School (ECHS) and Institutions of Higher Education (IHE) partners to develop vertically articulated pathways that help students bring their Personal Transition Plan (PTP) to fruition and lead them to family-sustaining careers.

Early College 2.0 is a Strategic Enrollment Management Plan that supports the State of Hawaii goal where 55% of adults earn college degree by 2025.

Associate in Science & BA in Business

Waipahu High School's **Academy of Professional and Public Services** comprises the field of hospitality and tourism, and finance.

The UH West Oahu, Bachelor of Arts in Business Administration offers students a solid foundation in business objectives and processes and prepares students with management roles in business environments. Students are provided with an understanding of the perspectives that form the context of business, including ethical and global issues; the influence of political, social, legal, environmental, and technological issues; and the impact of demographic diversity on organizations.

Partnering with Leeward Community College and/or the University of Hawaii, West Oahu with a concentration in areas of Business Administration: Accounting, Management, Facilities Management, Hospitality & Tourism, Marketing and Finance, students can take Early College 2.0 classes that meet a common core such as English 100, Hawaiian Studies 107, Economics 130, Math 103, Anthropology 152, Business 101 and History 151.

For more information please contact:
Ms. Brandy Yagi, Assistant Principal

Associate in Science & BA Degrees

The Waipahu High School, **Academy of Natural Resources** Pathway is recognized by the National Career Academy Coalition (NCAC) – a National Model Academy – and is designed to prepare students who want to work in the environmental, agricultural, and operational field. Students can find a career as a geoscientist, forester, marine scientist, and more.

In addition to offering many General Education courses that are required for the Associate in Science/Natural Science (AS/NS) and Bachelor's of Science (B.S.) degrees, WHS Early College 2.0 offers Botany 130 and Botany 130 Lab (LCC) every fall semester.
