Key

- # Tells us how many courses you want to take
- Determines how you complete the Dual Credit App (steps)
- Tells us your course preferences

NOTE: Courses are NOT guaranteed

- # Tells us you ONLY want to take # course(s)
If we are unable to get you into your top choice(s), this tells us your other options

■ Tells us which section you want

■ If you do not know, please ask your parents

Spring 2024 (Rev. 10.2023)

By signing this agreement all parties understand and agree to the following:

1. **The UH and high school reserves the right to determine admission to the college and/or registration in classes.**
2. The parent/guardian and student understand that if the student does not successfully complete the Early College dual credit course(s), the student may not meet high school graduation requirements.
3. The student and/or parent/guardian may, when applicable, be responsible for consumable supplies, transportation, and other related educational expenses; notwithstanding, students will be informed of such expense in advance.
4. The parent/guardian and the student understand that the student is expected to fully participate in all course activities (including off-campus field trips), courses which may be held at the college, labs, and course content which may involve exposure to alternative viewpoints that may include material of an adult nature.
5. The parent/guardian and student understand that the Hawai'i State DOE is not liable for the student's health and safety when the student has left the high school campus.
6. The high school is the final authority on high school graduation requirements. Your child must work closely with her/his high school counselor to ensure that graduation requirements are met. It is the student's responsibility to ensure that college course(s) completed as part of the Early College program will also meet high school graduation requirements. If your child transfers to a different high school, the dual credits accrued through Early College may or may not count toward meeting the graduation requirements of the new high school. If your child does not successfully complete the Early College course(s), he/she may not meet high school graduation requirements.
7. All Early College students have the same rights and responsibilities as any other UHCC student and must comply with the applicable UHCC or UHWO Student Conduct Code, IN ADDITION to the high school expectations policies.
8. The student and parent/guardian gives permission for the UH West Oahu, UHCC schools, and the high school to share and release application and registration information, student health records, UH ID numbers, Placement test scores, Free or Reduced Lunch status, ethnicity, ELL status, student survey data and grades to each respective authority.
9. The WHS Early College Program has limited seating capacity. Admission is based on first-come, first-serve and **FIRST to complete all** application documents. Students from 3.0 partner schools will be limited to only 3.0 course offerings.
10. **The UH/UHCC and high school may photograph, videotape, or otherwise record the student's first name, voice, and/or likeness. These recordings will be used exclusively for non-commercial, educational purposes, which may include, but not be limited to, distribution by print or digital media within or outside the state of Hawai'i for the duration of the media.**
11. Early College students with documented disabilities must call 808-307-9575 ten weeks prior to the start of the first day of Early College instruction in order to have adequate lead time for accommodations.
12. Early College students must complete the weekly "temperature check" emails sent by the Tagnawa Tutors (Early College tutors). Students agree to keep open lines of communication with their assigned Tagnawa Tutors, WHS EC Leadership Team, and/or 3.0 partner school Early College Coordinator for any support and advisement during the Early College Program.
13. Early College students must attend a mandatory Early College orientation offered prior to each semester on the WHS campus. Students who miss the mandatory orientation session may be dropped from their Early College courses.
14. Early College students are provided detailed information on registration. If an Early College student registers for the wrong course or section, the student may incur an obligation to cover the tuition fee for enrolling in a non-Early College course.
15. **Withdrawing/Dropping a course:** It is the student's responsibility to adhere to the withdrawal/drop deadlines set by each university/college. If a student withdraws from a course outside of the set deadlines, the student will be responsible for any fees associated with the course withdrawal.

With your signed consent, the student may apply and may be registered for an Early College class depending on the aforementioned criteria and funding. **Attendance is mandatory and will be taken for each class.** Should the student be registered for a course and fail to abide by the UH/UHCC and WHS policies, procedures and deadlines, the Principal or any designee reserves the right to disenroll the student for repeated tardiness, more than three (3) absences, violation of student conduct code and/or repeated failure to complete coursework. In such cases, or should the student fail to complete the course and earn college credit, the student will be responsible to pay the minimum tuition fee for the course (student will incur a financial obligation) payable to Waipahu High School.

If there are any concerns or questions, please feel free to contact the Early College Director, Mrs. Eunice Fukunaga, at (808) 307-9545. For more information: <https://www.waipahuhs-earlycollege.org>

Course	Credits	Requirement	Location	Campus
MOA	3	HS Elective	High School	Leeward Community College

- The University of Hawai'i and the high school reserves the right to determine admission to the university/college and/or registration in certain classes.
- The high school is the final authority on high school graduation requirements. Students must work closely with a high school counselor to ensure that graduation requirements are met. It is understood that it is the student's responsibility to ensure that the college course(s) completed as part of the dual credit program will also meet high school graduation requirements.
- The parent/guardian and student understand that if the student does not successfully complete the dual credit courses, the student may not meet high school graduation requirements.
- The student and/or parent/guardian may be responsible for tuition and campus fees, books and consumable supplies, laboratory fees, transportation, and any other related educational expenses.
- The parent/guardian and the student understand that the student is expected to participate fully in all course activities, including labs, which may involve being exposed to alternative viewpoints that may include material of an adult nature.
- The parent/guardian and student understand that the Hawai'i State Department of Education is not liable for the student's health and safety when the student has left the high school campus.
- The parent/guardian and student understand that students in the dual credit program have the same rights and responsibilities as any other University of Hawai'i college student.
- The parent/guardian and student understand that the University of Hawai'i's policies and procedures apply to students in the dual credit program, in addition to all Hawai'i State Department of Education policies and procedures. Specifically, the University of Hawai'i's EP 1.204 – Interim Policy and Procedure on Sex Discrimination and Gender-Based Violence applies to all dual credit students. EP 1.204 makes confidential resources available to all students and these confidential resources are not required to notify parents/guardians of services rendered to students. The University of Hawai'i also may require students to complete training related to its policies, including EP 1.204, which may contain adult content or content that may not be age-appropriate. EP 1.204 can be found on UH's website at <https://www.hawaii.edu/policy/docs/temp/ep1.204.pdf>. UH's Resource Guide to Title IX can be found at <http://uhcc.hawaii.edu/titleIX/docs/TitleIXBrochure.pdf>
- Where applicable, the student gives permission for the University of Hawai'i campus to release registration information, grades, placement test scores, student academic progress, attendance, and on track completion of coursework to his/her high school administrator(s) and/or counselors.
- As the parent/guardian, I give permission to the Hawai'i State Department of Education to verify the socioeconomic status of my child to the University of Hawai'i for the purpose of determining scholarship eligibility.

By signing below, I certify all information submitted is true and correct to the best of my knowledge, and constitutes acceptance and approval of the statements listed above.

 Student Signature Date Parent/Guardian Signature Date

This student is enrolled at a Hawai'i public school, is under the age of 21 as of September 1st of the school year that the college course(s) will be taken, and will comply with the DOE and college's requirements.

STAR · University of Hawai'i at Mānoa · 2500 Campus Road · Honolulu, HI 96822

*ONLY if scores have not been submitted previously.
EdReady scores are good for TWO (2) years. *

The screenshot shows the EdReady interface. At the top right, the EdReady logo is displayed with the text "Powered by NROC". Below it, a red instruction says "Name must be shown here" next to an empty oval. In the center, the "Study Paths" section is visible, featuring a "Leeward CC Placement" button circled in black. A red instruction "Must be shown" with arrows points to the "Leeward CC Placement" button and the "Community Colleges" logo above it. Below the "Study Paths" section, a red instruction says "Need at least 64" next to a purple circle containing the number "80". At the bottom, there are two toggle switches: "EdReady English" (which is turned on) and "Use Shapes" (which is turned off). A blue button labeled "View Study Path" is located below the "Use Shapes" toggle. A progress bar at the bottom shows a question mark icon and a score of 100.
