

I NEED TO TAKE THE PLACEMENT TEST AT LEEWARD'S PEARL CITY CAMPUS

I either missed my school's testing fieldtrips or attend a school that doesn't offer testing fieldtrips to Leeward CC. So I need to take the test on my own. To do this, I must:

1. Contact my **Leeward CC Early College Counselor** to arrange for a **testing date** and to decide **what parts of the test** I'll be taking (Math and/or Writing).

**Campbell HS, Leilehua HS, Mililani HS,
Waialua HS**

2. Submit my **UH Online Application** at <https://apply.hawaii.edu> at least **4 working days** ahead of my testing date.
3. Bring a **photo ID** and my **UH ID number** with me on my testing day.
4. Check in with my **Leeward CC Early College Counselor** when I arrive for my test.
5. **Check in to the Testing Center and take the test!**
The test is untimed, so you can take as much or as little time as you need. However, be prepared to stay about 1-2 hours per test section.
